

Allopathic Medical School Advanced Placement (AP) Information (updated Summer 2017)

Note: All AP credit must first have been awarded course credit by Rice. More advanced courses highly recommended.

<i>Y= accepted; Y* = upper level credit in the discipline will satisfy the requirement; N= does not accept; NR = not required; M (maybe) = only if supplemented with advanced work; P = only part of the requirement is satisfied; C = contact school</i> (Please remember, AP policies at various institutions may change each year and vary from institution to institution. In many cases, if a student has AP credit and elects to keep it, completion of upper level coursework in the discipline will fulfill the requirement. Even when AP credit is in place, it is highly recommended that upper level coursework in biology and chemistry is completed).								
	Biology	Physics	Chemistry	English	Calculus	Statistics	Lab Req	Special Notes
Texas Schools								
Baylor College of Medicine	P	NR	Y	Y	NR	NR	Y	Requires biochemistry, advanced biology, humanities, and social-behavioral sciences; math req satisfied by physics/calc/stat/etc
Texas A&M Health Science Center College of Medicine	Y	Y	Y	Y	NR	Case by Case	Y	Requires biochemistry, 2 years of Biology
Texas Tech Univ Health Sciences Center Paul L. Foster School of Medicine	Y	Y	Y	Y	Y	Y	Y	Requires biochemistry, 2 years of Biology
Texas Tech University Health Sciences Center School of Medicine	N	N	N	Y	NR	N	Y	Requires biochemistry, 2 years of Biology
University of Texas Dell Medical School at Austin	P	P	P	Y	Y	Y	Y	Requires biochemistry, 12 hours chemistry, 11 hours biology, 8 hours physics
University of Texas Medical Branch School of Medicine	Y	Y	Y	Y	Y	Y	Y	Requires 2 years of Biology, takes calculus or statistics to satisfy math req
UT- McGovern Medical School at Houston	Y	Y	Y	Y	NR	NR	Y	Requires 2 years of Biology
UT-Rio Grande Valley	Y	Y	Y	Y*	NR	Y	Y	requires biochemistry
UT-San Antonio Medical School	Y	Y	Y	Y	NR	Y	Y	Requires biochemistry, 2 years of Biology
UT-Southwestern	Case by case	Case by case	Case by case	Case by case	Y	NR	Y	Requires biochemistry, 2 years of Biology, takes calculus or statistics to satisfy math req
Alabama

Allopathic Medical School Advanced Placement (AP) Information (updated Summer 2017)

Note: All AP credit must first have been awarded course credit by Rice. More advanced courses highly recommended.

<i>Y= accepted; Y* = upper level credit in the discipline will satisfy the requirement; N= does not accept; NR = not required; M (maybe) = only if supplemented with advanced work; P = only part of the requirement is satisfied; C = contact school</i> (Please remember, AP policies at various institutions may change each year and vary from institution to institution. In many cases, if a student has AP credit and elects to keep it, completion of upper level coursework in the discipline will fulfill the requirement. Even when AP credit is in place, it is highly recommended that upper level coursework in biology and chemistry is completed).
