

Joint Admission Medical Program (JAMP) at Rice University

The Joint Admission Medical Program (JAMP) is a Texas specific program created by the Texas Legislature to support and encourage highly qualified, economically disadvantaged students pursuing a medical education within Texas Medical Schools.

Rice students interested in applying for the JAMP program are strongly recommended to review [JAMP's Eligibility Criteria](#) before beginning the application process. Entering freshman interested in JAMP should contact Christine Martinez, Rice University's JAMP Program Coordinator, for more information. Appointments can be scheduled by visiting the Office of Academic Advising (OAA) or calling 713-348-4060. Please review the recommended timeline for additional information.

Overview of the JAMP Program Benefits*

- Support through undergraduate stipends
- Placement into JAMP Summer Internship experiences

- Hands-on experience through clinical enrichment opportunities
- Comprehensive, multi-phase MCAT preparation program
- Personal and professional development through dedicated mentoring
- Guaranteed admission to a Texas medical school if all criteria are met
- Scholarships to attend medical school

**These benefits are not always guaranteed for every application cycle. To review current benefits and program requirements, visit the [JAMP website](#) for updated information.*

Overview of Program Eligibility

- A 3.25 grade point average overall and 3.25 grade point average in Biology-Chemistry-Physics-Math (BCPM) courses is recommended; preference will be given to those achieving higher scores. Grades from all courses completed before final selection meeting will be considered
- Twenty seven (27) semester hours of undergraduate credit must be completed in the first year of college after graduation from high school at an institution of higher education (no more than three semester hours of AP credit can be counted towards the 27 hour requirement).
- Be a Texas resident for purposes of tuition under Subchapter B, Chapter 54 of the Texas Education Code.
 - For more information on Texas residency, please read this [website](#)
- Be an American citizen or permanent US resident alien.
- For more information on eligibility criteria, visit the [JAMP website](#)
